Get Involved in Your Community – Join the Ruchill Community Council!

Are you passionate about making a difference in our neighbourhood? We're looking for local residents to join the Ruchill Community Council!

This is a voluntary position where you can help shape the future of our area, support local initiatives, and ensure the voices of our community are heard.

Meetings are held on the third Thursday of each month, except in July and December.

No prior experience needed—just a commitment to your community and a willingness to contribute your time and ideas.
